

Informatica Cloud Express

Informatica Cloud Express is the industry's first usage-based data integration and quality service. Companies can synchronize data and augment their leads/contact information with a pay—as-you-go subscription.

Informatica Cloud Express Data Sync

- Synchronize Salesforce and a database or file
- Flexible, unlimited scheduling to automate data loading
- Online customer support
- Powerful performance, scalability, reliability, and availability
- No coding, appliance, or annual contract required

Customers' results:

Go beyond the Apex Data Loader and maximize Salesforce adoption with automated data integration.

"We saved 75% over other data integration solutions."

- Mark Russell, IT Manager, Web-Don, Inc.
