

Informatica Cloud Advanced Editions

Informatica Cloud is software as a service (SaaS) application integration solution that delivers simplicity, rapid deployment and interoperability with the market-leading Informatica platform. Recognized by ChannelWeb as “pioneer of cloud data integration” and by salesforce.com customers as the **#1 AppExchange Integration App 2008, 2009, 2010 and 2011**, over 1500 companies run +100K jobs/day and process +21 billion transactions/month via Informatica Cloud.
